

# Environmental Awareness

## Course Description

Targets all employees in an organisation to increase knowledge of good environmental work practices and ways to minimise the impact on our environment.

## Accreditation and Approval

- Solicitors Regulation Authority (SRA)

## Course Duration

This course will take you approximately 35-40 minutes to complete. This course can be re-studied at any time.

## Overview of Content

- What environmental awareness is and why is it important
- A brief introduction to Environmental Law
- How to identify the environmental impacts of your organisation
- What a carbon footprint is
- Environmental effects of emissions to air
- Water, how we can protect a valuable resource
- How you can minimise waste
- Energy use and energy efficiency
- Noise and the environment
- Approaches to environment management

## Assessment

There will be a section at the end of the module with short multiple choice questions to test your knowledge. A pass mark of 80% is required to successfully complete the course.

## Who is it for?

This course is suitable for all employees, including subcontractors and external partners.
