

Social Media Awareness

Course Description

Study this course to find out what you need to be aware of when using social media and how to protect yourself. If you are using one of the multiple social networking sites, from Facebook, Twitter, YouTube to LinkedIn; it is crucial to understand the potential risks of using them.

Accreditation and Approval

- Solicitors Regulation Authority (SRA)

Course Duration

This course will take you approximately 20 minutes to complete. This course can be re-studied at any time.

Overview of Content

- Understand the importance of managing your privacy settings on social media sites
- Be aware of the impact and consequences that your behaviour on social media sites can have
- Be aware of the different types of social media sites
- Understand the importance of not entering into discussions about the company or its brands on social media sites to ensure consistency of message across all platforms

Assessment

There will be a section at the end of the module with short multiple choice questions to test your knowledge. A pass mark of 80% is required to successfully complete the course.

Who is it for?

This course is suitable for all employees, including subcontractors and external partners.
